Applications are invited for the post of Regional Head (Assam/North-East) under National Highways Infra Projects Private Limited

Company

National Highways Infra Projects Private Limited (NHIPPL), an entity under National Highways Infra Trust (popularly known as NHAI InvIT), is one of the fastest growing organizations in Roads sector in India. NHAI InvIT has been set up to facilitate National Monetisation Pipeline of the Government of India, and currently has concessions for 8 national highways in the country located, inter-alia, in the states of Rajasthan, Gujarat, Madhya Pradesh, Uttar Pradesh, Maharashtra, Telangana and Karnataka. It has raised funds from investors and lenders of about Rs.12,000 crore, and its units and NCDs are listed on BSE and NSE. More information can be accessed at www.nhaiinvit.in

As part of the National Monetization Pipeline, NHAI InvIT shall be acquiring operational national highways from NHAI in Assam and nearby areas. Initially, five operational national highways mostly located in and around Guwahati, are being acquired by NHAI InvIT. NHAI InvIT would be required to operate and maintain these roads, and undertake major maintenance and collect toll on them for a period of 20 years. NHIPPL or its sister entities which are/will be holding concessions of these roads are owned 100% by NHAI InvIT and are not government entities.

About the Role

In order to manage the affairs of these five and other likely roads in that region, NHIPPL is looking to hire an experienced person for the role of Regional Head (Assam/North-East) who has demonstrated strong leadership skills and ability to manage business complexities of similar nature.

The Regional Head (Assam/North-East) will be responsible to lead all the operational affairs of the business in the region, in coordination with and support of the functional teams in the head office. While driving performance, special emphasis will be laid of ethical conduct and health & safety of the road users and employees/contract staff.

This position will be based at Guwahati and will report to Head - NHIPPL.

Key Responsibilities

The Regional Head (Assam/North-East) shall be responsible for:

- Lead a cross-functional team of employees, contract staff and other contractors to manage the business, including management of industrial relations and ensuring their health & safety etc.;
- Manage all relationships with internal and external stakeholders;
- Foster a culture of ethical, conducive and collaborative work environment in the business;
- Ensure all statutory compliances;

- Ensure implementation of community engagement activities including CSR in the region.

Eligibility Criteria

1. The candidate must be an ex-serviceman from Defence sector.
2. The candidate should be fluent in Assamese language in addition to Hindi and English.

Education / Qualification

1. The candidate should at the minimum be a Graduate.
2. Candidates with Degree in Engineering in related fields shall be preferred.

Desired experience:

Minimum 20 years of overall experience with significant relevant experience in development/management of infrastructure projects, including management of diverse stakeholders.

Desired Skills

- Leadership and people management skills.
- Self-starter and having a proactive attitude.
- Strong negotiation and influencing skills.
- Superior written and verbal skills.

Candidates are advised to upload their details at the link -
